

## UNIT III

# Crash and Emergency Preparedness Survey

**Name:** \_\_\_\_\_

**Date:** \_\_\_\_\_

School bus drivers are entrusted with the lives and safety of students.

**Circle the correct answer:**

1.     T or F     If you have been involved in a minor traffic crash, the first thing you should do is to set up emergency triangles around the crash site.
2.     T or F     If you have a fire on your bus, evacuate the bus first then attempt to put out fire.
3.     T or F     You can leave the crash scene as soon as your supervisor arrives at the crash.
4.     T or F     In the event of an evacuation, the minimum distance students must be kept from the bus is 100 feet.
5.     T or F     It is necessary to get a complete list of all students on your bus.
6.     T or F     Police may ask you for a pre-trip inspection report completed for the day.
7.     T or F     You must notify dispatch of your involvement in all crashes you are involved in regardless of how minor you think it is.
8.     T or F     In the event of an emergency, turn on as many lights as you can - interior lights, strobe lights if so equipped, and 4-way hazards.
9.     T or F     If you are at fault in the crash, you should admit fault to the other driver or drivers involved in the crash.
10.    T or F     You should discuss the crash with other people at the scene.
11.    T or F     When involved in a crash, you must obtain the other driver's information.
12.    T or F     You should treat students on your bus for any injuries as necessary.
13.    T or F     In case of a crash all students should stay on the bus.

- 14. T or F The state authorities will hold your bus for investigation only if property damage exceeds \$1000.00.
- 15. T or F In the event of a tornado you should try to outrun it.
- 16. T or F The most important thing for the driver to do after a crash is to remain calm.

# UNIT III

## Crash and Emergency Preparedness Survey (Answer Key)

This survey is a resource for the trainer to monitor how familiar employees are with the information in Unit 3. This **IS NOT** a substitute for the required survey on student conduct and students with special needs.

1.     **FALSE**    If you have been involved in a minor traffic crash, the first thing you should do is to check for injuries.
2.     **TRUE**     If you have a fire on your bus, evacuate the bus first then attempt to put out fire.
3.     **FALSE**    You can leave the crash scene after the crash is investigated and you are released by law enforcement.
4.     **TRUE**     In the event of an evacuation, the minimum distance students must be kept from the bus is 100 feet.
5.     **TRUE**     It is necessary to get a complete list of all students on your bus.
6.     **TRUE**     Police may ask you for a pre-trip inspection report completed for the day.
7.     **TRUE**     You must notify dispatch of your involvement in all crashes you are involved in regardless of how minor you think it is.
8.     **TRUE**     In the event of an emergency, turn on as many lights as you can - interior lights, strobe lights if so equipped, and 4-way hazards.
9.     **FALSE**    If you are at fault in the crash, you should not admit fault to the other driver or drivers involved in the crash. You should only discuss the crash with law enforcement, your supervisor, or the school district.
10.    **FALSE**    You should not discuss the crash with other people at the scene.
11.    **TRUE**     When involved in a crash, you must obtain the other driver's information.
12.    **TRUE**     You should treat students on your bus for any injuries as necessary.
13.    **TRUE**     In case of a crash all students should stay on the bus.
14.    **FALSE**    The school bus may be held if the post-crash inspection requirements are met. (MS 169.4511)

- 15.     **FALSE**   In the event of a tornado you should try to outrun it.
- 16.     **TRUE**     The most important thing for the driver to do after a crash is to remain calm.
